Haven Rooftop

Easter brunch with a side of rooftop views doesn't sound half bad to us! Head to **Haven Rooftop** and choose from their three course Prix Fixe menu for \$29 featuring selections such as crispy calamari, brunch pizza with sunny-side-up eggs, tomato sauce, mozzarella and bacon, or a classic Eggs Benny. They also offer an a la carte menu, plus you can make it bottomless brunch for just \$20 more! Read our review [here](#). 132 W 47th Street, New York, NY.
