

Our Picks for CINCO DE MAYO in New York City

It's that time of year again, when Cinco de Mayo invites New Yorkers to find a spot where they can enjoy food, drink, and fun. We've rounded up some bars and eateries uptown, downtown, and all around the town where you can enjoy the fiesta spirit of May 5th. It's a lucky thing for revelers that the 2017 celebration falls on a Friday, so enjoy yourself and visit a few of these great places.

Haven Rooftop (Times Square) The popular rooftop bar located at Sanctuary Hotel is hosting an exciting fiesta for Cinco de Mayo full of drinks, dancing and great deals. Gather your amigos and take advantage of \$5 tequila shots and \$5 Mexican beer along with food specials on tacos, nachos, ceviche, quesadillas, and chips & guac. The night gets even better with a live DJ and specials happening from 4pm-11pm. So get your drink on...responsibly! Visit: www.havenrooftop.com.
