

What Are the Best Rooftop Bars in NYC?

Haven (Midtown West)

Located atop Midtown's Sanctuary Hotel is Haven—a rooftop oasis that boasts splendid views and a seasonal menu that includes summery faves such as sesame-crusted tuna, crab cakes, "Havenly" chicken, lobster rolls, and the house's sliders. The menu pairs well with Haven's playful drinks, which include star sangria, the Haven mojito, and the Supernova—a fusion of Maker's Mark, blackberries, mint, vanilla bitters, and lime juice. On Saturdays and Sundays, Haven Rooftop offers brunch. Menu selections include eggs Benedict, brunch pizza, and French toast. Bonus! There's a bottomless option that entices with mimosas, sangria, or Bloody Marys. 132 W. 47th St., 212-466-9000, havenrooftop.com
