

Ring in The New Year in Times Square and Beyond

From east to west, Midtown hotels will ring in 2018 with grand revelry and guests in lavish attire. High above the lights of Fifth Avenue, The **Peninsula New York**'s Salon de Ning will be transformed into a chic sky-lit penthouse with the East Terrace enclosed and heated, a performance by UK rock and pop cover band The Chip Shop Boys plus ball drop projection at midnight.

Right in the heart of Times Square, the New York Marriott Marquis will host a five-course dinner, unlimited premium open bar and entertainment at

The View Restaurant & Lounge, with 360-degree views revolving completely every hour overlooking Times Square.

One block to the west, The Sanctuary Hotel New York's **Haven Rooftop** will offer **group packages** for its heated and tented New Year's Eve party. Guests will enjoy a DJ from 8pm to 2am, a prix-fixe dinner and top shelf open bar.
