HATS A WRAP

● Following Sunday's Easter Parade, **Brandon** and **Hank Freid** invite marchers in funny hats to their **Haven rooftop** bar atop the Sanctuary Hotel on W. 47th St., where the festivities continue. The postparade party includes a "Best Hat" contest, egg coloring and hidden prizes. The hotel is also bringing up an "edgy" DJ from Miami to keep Easter Bunnies hopping during the boozy brunch bash, just steps from the parade route.
