## RAISE THE ROOF

● Midtown's  
Sanctuary  
Hotel will open its  
Haven Rooftop lounge  
for summer on Wednes-  
day with a big bash. We're  
told that hoteliers **Brandon**  
and **Hank Freid** have invited  
friends including tennis pro  
**María Sharapova**, pop singer  
**Joe Jonas** and ageless super-  
model **Christie Brinkley** (inset)  
to check out the new design. That  
fresh look includes "a St. Barts resort, red revamp,  
complete with champagne guns, and on opening  
night, will feature beauties from Dale Noel's True  
Model Management."
