Hello Summer from **Haven Rooftop!**

That was the vibe last week when New Yorkers ushered in to **Haven Rooftop**, an expansive and bustling rooftop in the heart of Times Square.

In partnership with **Grey Goose**, the rooftop at West 47th Street atop the **Sanctuary Hotel**, hosted *Hello Summer* with more than 100 exciting friends including **Dale Noelle**, **Dr. Christopher Calapai**, top cosmetic dermatologist **Dr. Kenneth Mark**, and

dozens of models from **True Model Management**.

DJ Annie Sollange kept the beats going on the multi-level venue boasting three separate rooftops, as guests enjoyed tuna tartare and feta and watermelon skewers bites, along with inventive Grey Goose cocktails.
