HAVEN ROOFTOP

Seth Meyers, Karina Smirnoff, and Carmen Electra are all fans of **Brandon and Hank Freid's** Sanctuary Hotel, which unveiled its Ski Chalet at Haven Rooftop. The winter themed roof will have a rack of skis that will hold tequila shots named after Andy Cohen who made them famous on his TV show, Watch What Happens Live. Booths named Aspen, St. Moritz and Courchevel are serviced by sexy female waitresses in stretch pants, faux fur boots and fitted turtle-necks. Sanctuaryhotelnyc.com
