Cinco de Mayo Food and Drink Deals in New York City

Raise a margarita in honor of Cinco de Mayo!

The annual holiday celebrates the Mexican Army's victory over the French in 1862, but is often celebrated with enticing drink and food deals.

Haven Rooftop, 132 West 47 St., is hosting a fiesta with \$5 tequila shots and \$5 Mexican beers. There will also be food specials on tacos, nachos, ceviche, quesadillas and chips & guacamole. The night's festivities will go from 4-11 p.m. and will include a live DJ.
