

Where to eat, drink and watch the Olympics

Ashley Day, USA TODAY 9:03 p.m. EDT August 7, 2016

The Games have begun, and restaurants across the country are celebrating with Olympic-themed specials. Cheer for Team USA with red, white and blue treats, toast to the host with a cachaça cocktail, and transport to Rio with traditional Brazilian dishes, from Moqueca to [Pão de Queijo](#). Whether you're feasting or imbibing, there's a festive way to watch without cooking or hosting a party.
