

15 All-Season Rooftop Bars For Drinking With A View This Winter

New Yorkers love a good rooftop in the summer, but you hardly have to settle for a typical sidewalk-level spot just because the temps have dropped. Behold the magic of heat lamps and retractable roofs! Some of our favorite soaring lounges are open all year long, meaning you can booze with a view while staying cozy this winter.

Haven Rooftop

Get cozy at [Haven Rooftop's](#) wintertime Ski Chalet and warm up with festive cocktails under heat lamps and tents. Indulge in fondue, s'mores, and more with twinkling lights and great views.

[Haven Rooftop](#), 132 W 47th St.
